mended to the Government for technical/commercial negotiations:

(i) 155 mm TR (France)	Both for procurement ag well ag for Licence Production.
(ii) FH 77B (Sweden)	
(iii) FH 70 (UK)	
(iv) GC-45 (Austria)	For one time buy only and not for Licence production.

3. There were no subsequent revisions in the specifications of the guns offered by the above four bidders, except that the Austrian gun trial evaluated in India did not have an Auxiliary Power Unit. However the Austrians later demonstrated a gun with an Auxiliary Power Unit to the Army Delegation, referred to above.

4. The details of prices offered by the various bidders from time to time, are contained in the Annexure. [*See* Appendix CLIV, Annexure no. 44]

5. The value of counter-trade envisaged is not less than half the value or imports contemplated under the Supply Contract and the Licence Agreement.

Killing of wild life

798. SHRI KRISHNA KUMAR BIRLA: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is a fact that despite the Wild Life Protection Act, there has been a constant rise in the killings of wild life in utter violation of the Act and that there is no adequate protection to the endangered species;

(b) if so, what is the percentage of rise in the wild life poaching in 1989, as compared to that in 1988;

(c) what are the species which are mostly killed by the poachers and the names of the States where killing of wild life is at the highest;

(d) whether Government have made any review regarding the adequacy or otherwise of the Act and the enforcing machinery to check killings of wild life; and

(e) if so, what are the details thereof, stating the measures proposed to be taken by Government to effectively check poaching of wild life in the country?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRIMATI MANEKA GANDHI): (a) and (b) Information is being collected and would be placed on the table of the House.

(c) The name of animals which are killed by the poachers in large number are given in the Statement attached (See below). The name of the states with highest incidence of poaching of

some of the rare species of Wildlife are as under:—
